

Reverieside  
Maidenhead  
7 Aug. 1876

Dear Sir

Have I made a mistake in not sending you "Richard the Third"? It is ready, and if you had, as hitherto, subscribed, it would have been in your hands.

I have not your name on my List and I may have omitted to place it there as hitherto. I hope it is my fault.

Yours very sincerely

J. Payne Collier

I do not like the notion of losing your support.
